

# Understanding Change

## Course Overview

You can embrace change!

Be ready for change! Businesses are constantly changing to ensure sustainability and ongoing success. As a manager you need to be able to contribute to the change process and feel comfortable in recommending solutions to help improve organisational performance.

**Level:** 5

**Fee:** \$660.70

**Weekly Hours:** 15

**Credits:** 15

**Weeks:** 9

## Learning Outcomes

On successful completion of this course students will be able to:

1. Identify and demonstrate how innovation and organisation change can contribute to enhanced business performance
2. Explain and assess the impact and importance of sustainability to business entities.
3. Research and recommend solutions for improving performance of a business entity

## Indicative Course Content

- Innovation - Contribute in operational contexts to innovation and change within a business entity.
