

Business Environment

Course Overview

You can understand Compliance!

Legal and social requirements have significant impacts on every business. Legal compliance is essential and is non-negotiable so making sure you have a sound understanding of requirements is a necessity. This course will provide you with that knowledge and will also enable you to explore strategies to maintain professional relationships with clients and stakeholders.

Level: 4 **Fee:** \$174.35 **Weekly Hours:** 15 **Credits:** 15 **Weeks:** 10
