

# Perspectives on Teaching and Learning

## Course Overview

### Learn your teaching style!

How does your teaching and learning philosophy affect the success of your learners? In this course you will gain insight into how your own values and teaching style directly impacts the way your students learn and ultimately whether they achieve their goals. Through self-reflection you will learn new ways to teach diverse student groups and individuals.

**Level:** 5      **Fee:** \$608.26      **Weekly Hours:** 15      **Credits:** 15      **Weeks:** 10

## Learning Outcomes

On successful completion of this course students will be able to:

1. Recognise and articulate how their teaching and learning philosophies influence their practice.
2. Respond to the needs of diverse learner groups using appropriate teaching and learning strategies

## Learner Requirements

You will need to have access to a group of at least six adult learners in order to complete your graded assessments. If you do not have access to a group of adult students, you will be unable to successfully complete the course.
