

New Zealand Certificate in Adult Literacy and Numeracy Education (Level 5)

Programme Overview

You can teach others!

Whether you are a workplace educator or vocational trainer, if you want to enhance your teaching skills in reading, writing and numeracy, a programme in Adult Literacy and Numeracy Education could be what you need.

If you aspire to or in a career in adult and tertiary teaching or training, this is a fantastic programme to set you on your teaching career path.

eCampus NZ Overview

We know that your time is precious. That's why we've made it easy for you to upgrade your skills with innovative online learning through eCampus NZ.

With flexible online learning to match your lifestyle, goals and dreams, our online campus option will work around your lifestyle so you can work, earn, live, and learn.

How Long Will it Take

This programme is made up of two courses and can be studied part time or full time. If you choose to study full time you will need to complete two courses at the same time, which will require around 28 hours a week of study time.

If you choose to study part time you study one course at a time which will require around 14 hours a week of study

Fees

The programme fee is \$1,636.04, however you may be eligible to study this course fees-free.

For more information and to find out if you are eligible please visit feesfree.govt.nz

Entry requirements

Academic Requirements:

NCEA Level 2. Even if you don't have the necessary qualifications you may still be approved for entry if you can show you have the literacy and numeracy skills needed for tertiary study through other study, work and/or life experience.

Study Environment

If you wish to study this qualification you will need to have access to a group of at least 6 adult learners in order to complete some course activities and required assessments. You must also meet the requirements of the Vulnerable Children Act 2014.

"I really enjoy having the ability to study when I have the time and wherever I might be. I also like the online videos and course reading and have found the course facilitators are always available when I need them"

Nikki Davidson

Courses in this Programme

Course 1: Learner Centred Practice

Establishing a learning environment that is centred around the goals and outcomes of your students is key to their study success.

This course will give you the skills and techniques to empower your students to achieve their learning goals.
