

New Zealand Certificate in Digital Media and Design (Level 4)

Qualification Overview

Calling aspiring creatives, innovators, artists, animators, content creators, movie-makers and photo-takers!

The New Zealand Certificate in Digital Media and Design (Level 4) will help you develop the foundational knowledge and skills you need to use current digital technology to express yourself and impress future clients.

You'll use a variety of tools and technologies, including the Adobe suite, to explore your creative interests, build a portfolio, and add to your digital toolkit as you design and create digital media with the 'wow' factor.

If you're passionate about design, media, and/or art and want to gain foundational digital media and design skills for work or further study, this may be the programme for you!

eCampus NZ Overview

We know that your time is precious. That's why we've made it easy for you to upgrade your skills with innovative online learning through eCampus NZ.

With flexible online learning to match your lifestyle, goals and dreams, our online campus option will work around your lifestyle so you can work, earn, live, and learn.

How Long Will it Take

This programme is made up of four courses, and can be studied part time or full time. If you choose to study full time you will need to complete two courses at the same time, which will require around 30 hours a week of study time.

If you choose to study part time you study one course at a time which will require around 15 hours a week of study

Fees

The qualification fee is \$2,904, however, you may be eligible to study this course fee-free.

For more information and to find out if you are eligible please visit feesfree.govt.nz.

Entry Requirements

Academic requirements:

10 credits NCEA Level 1 literacy credits or the New Zealand Certificate in Creativity (Level 4) or equivalent.

Alternative requirements:

Skills for tertiary study (including literacy and numeracy) may be acquired through study, work and/or life experience. Students who can demonstrate these skills may be approved for alternative entry.

Portfolio: Applicants may be required to submit a portfolio demonstrating their digital media/design work.
